

Awareness on Definition and Guideline on Good Corporate Governance and
Ethics of EXAT Officers “HEARTS: Work with Heart”

The Expressway Authority of Thailand (EXAT) issued a statement concerning in regard to EXAT code of conduct on October 20, 2009. The idea was to allow EXAT executives and employees to comply with 9 values and 17 ethical standards. Therefore, in order to apply these values and ethical standards to their practice, EXAT categorized values and ethical standards into 6 key points called “HEARTS.”

- H = Honesty
- E = Equity
- A = Accuracy
- R = Responsibility
- T = Transparency
- S = Society
